AFFORDABLE ALPHINGTON AT ITS BEST!

Architecturally designed is this luxurious, as new town house.

Price:

\$530 - \$550 PW

Downstairs caters for two generous size bedrooms with wall to wall carpet, both with robes, central stylish bathroom, courtyard and European Laundry.

Upstairs features polished boards throughout the modern open plan living with dining and state of the art kitchen comprising gas appliances, dishwasher, and ample bench and storage space.

The master bedroom and second bathroom are also located on top floor.

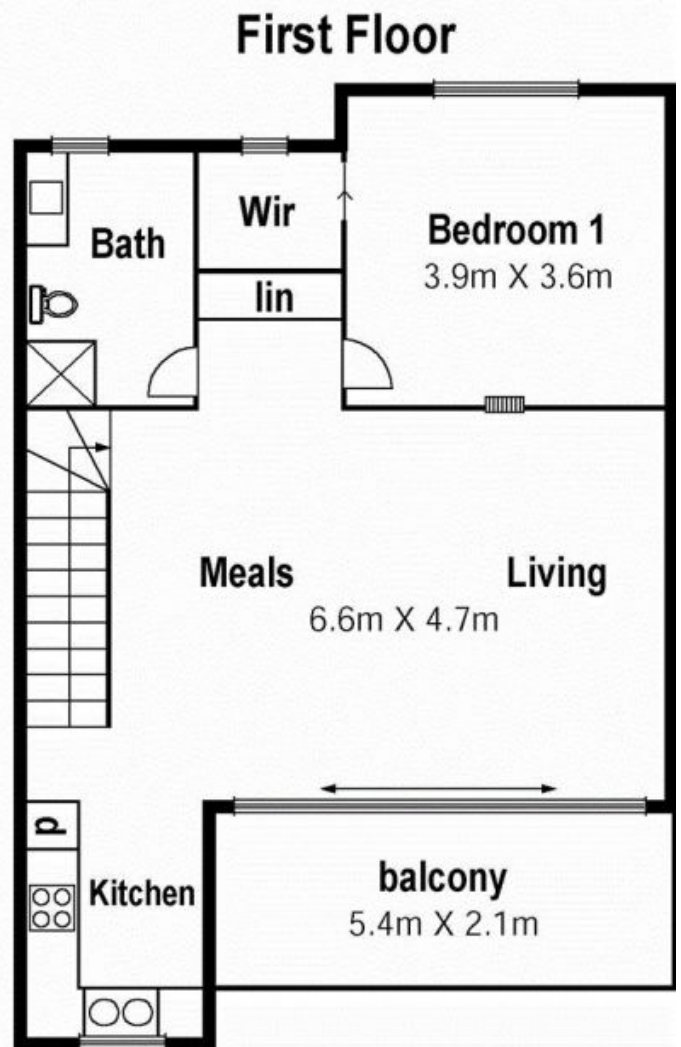

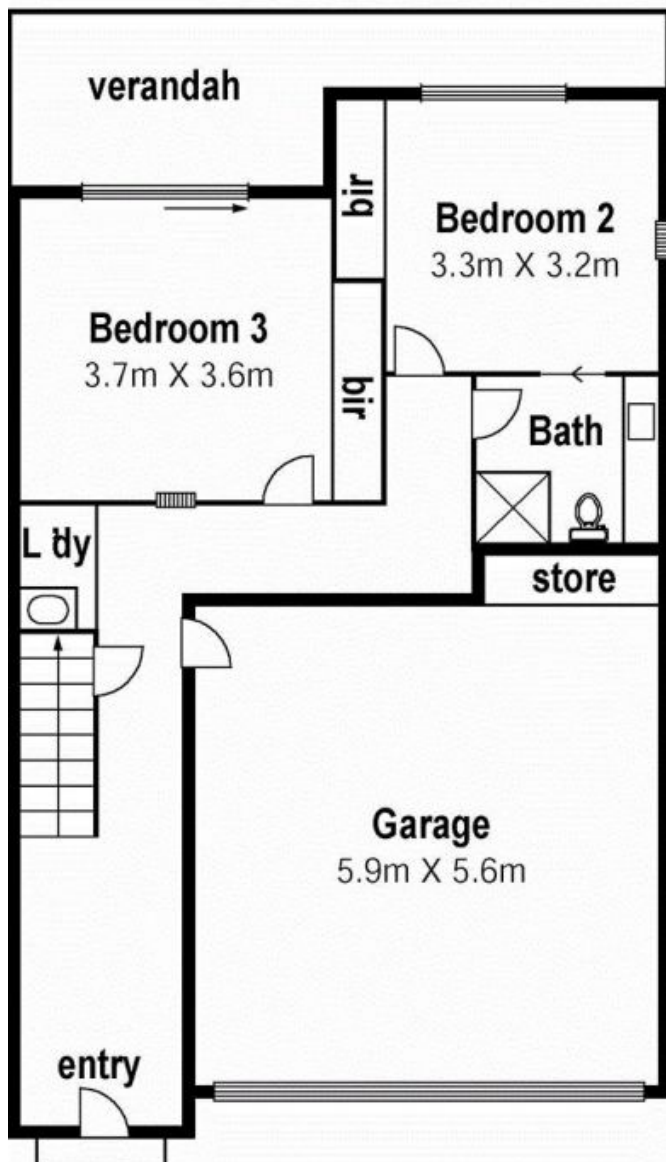

Completing the home are the essentials of split system heating & cooling, security alarm, intercom, ducted vacuum, double remote garage and large balcony.
