There is no denying the appeal of this wonderful three bedroom, two bathroom family home.

Perfectly presented, it offers formal living dining stretching the entire width of the house and casual meals and family living overlooked by a kitchen featuring stainless steel appliances, and partners them with a huge outdoor area under a shade sail for summer comfort.

And there is no denying the appeal of this location, a quiet court so convenient to the bike and walking paths, parklands, primary and secondary schools, the bus and Greenbrook shopping centre with its wonderful mix of supermarket, eateries and cafes.
