Warm And Welcoming Family Living

Cleverly laid out to provide a superb entertainer's residence, this beautifully presented home offers deceptively generous proportions, a wide choice of living areas and a low maintenance indoor/outdoor lifestyle. The lower level introduces refined formal living dining, huge open plan living wrapping around a modern kitchen, a generously proportioned rumpus room and a study. Upstairs opens to a fourth living room that leading to a retreat size main suite with ensuite, three further bedrooms and a spa bathroom. Outside you'll discover a vast alfresco precinct and double garage with workshop and rear roller door. Set on a 727 m2 allotment (approx) in a tightly held court around the corner from the bus and a short walk from Westfield and the station, it offers plenty of room for an active family.
