Too Good To Miss

This very smart two bedroom home offers peaceful and private living courtesy of its own long driveway, high fences and a courtyard garden to the front.

With no body corporate and located just 200 metres from the convenience store, moments from the bus, kinder and parklands and within easy reach of the station and Westfield, it presents a perfectly placed opportunity for first home buyers, downsizers and investors.

Spacious living under cathedral ceilings sweeps round to the family meals overlooked by the timber kitchen and opening to the rear courtyard, for easy, relaxed indoor outdoor enjoyment with friends or family. The main bedroom enjoys the convenience of direct access to the two-way bathroom, while the large laundry is ready for a family size wash-day.
