Complete Family Package

Absolutely immaculate and boasting generous light filled proportions, this four-bedroom two bathroom home provides an enticing invitation to enjoy quality family living. The spacious, centrally heated and cooled, interior introduces a solid timber kitchen anchoring the family meals, family living and formal lounge in a floor plan that embraces today's need for free flowing, open plan living. Adding to the clever layout is a family size laundry and utility/store room. Integrated under the house is an enormous garage. With space for at least 4 cars, it has room for the gym equipment or workshop space and opens to full height underhouse storage. A sun soaked alfresco terrace complements a lower-level paved entertainment area complete with a wood fire pizza oven. A short stroll to the bus, pre-school, parklands, local shops and cafés, it's ready for you to enjoy the currently comfortable living while considering cosmetic improvements for a contemporary family lifestyle.
