This one is magnificent! A fully refurbished 2 bedroom terrace home with loads of charm and character. Comprising of polished floorboards throughout, modern kitchen and bathroom. Wall to wall carpets and fireplaces in both bedrooms and the master bedroom has built in robes. Out the back is a perfect size back yard ideal for entertaining. As you walk past the lushes grass you head towards a large double garage which has a large office/ games room where the kids or "big kids" will entertain themselves for hours.
