

4/299 Mansfield Street THORBURY, VIC

Something Special!

One of only six in the building and kept private and secure thanks to auto gates and an intercom entry, this light filled first floor unit features a fully renovated interior of impressive quality and impeccable taste. Moments from local shops, the bus and Darebin Creek parklands, it is within easy reach of cosmopolitan Station Street. New carpet and fresh paint enhance a spacious living room that steps out to a balcony perfect for pre dinner drinks when friends come over. The new kitchen features stainless steel appliances with gas cooktop and room for a table and chairs. Two double bedrooms share a contemporary bathroom and provide the convenience of laundry facilities. To top it all off there is also a covered car park, so if you're looking for something special then make sure you don't let this one get away!

Available 27th November.
