Enormous potential in a Perfect Position

This ground floor unit, perfectly positioned just 100 metres from the tram on St Georges Road, 600 metres from Thornbury station and 700 metres from the shopping, eateries and tram on cosmopolitan High Street, is ready for a full renovation. A larger than expected courtyard garden providing outdoor entertaining space, or just somewhere for quiet contemplation; considerably enhances the appeal of a floor plan offering open plan living, double bedroom and large ensuite bathroom. With the added bonus of car park on title it provides a superb opportunity for an astute buyer to make the most of its outstanding location and generous proportions and reap the rewards of a contemporary makeover (stca).
