Freshly refurbished, this two bedroom apartment is ready for you to settle down in! This second floor low-maintenance property has been freshly painted and re-carpeted throughout, boasting natural light through the living room window. The two of many highlights of this property would be the newly installed kitchen ready for you to cook up a storm in, and the built in robes in both generous sized bedrooms. I haven't mentioned the amazing location; close to both Miller Street shops and tram line yet still in a very quiet pocket of Thornbury. The block has off street parking available for one car and undercover communal entryway. The price is too good to last- so get in sooner rather than later, or you may miss out!

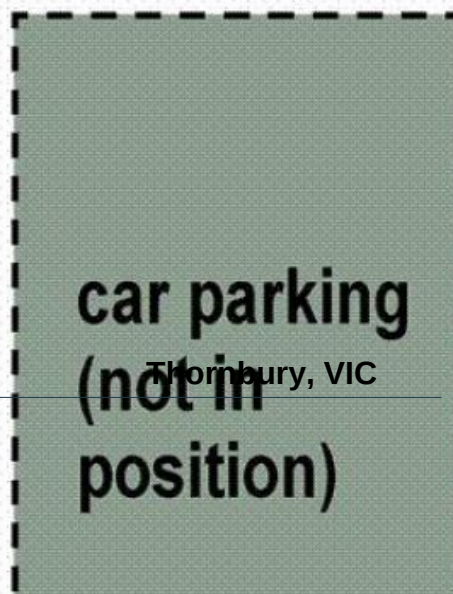

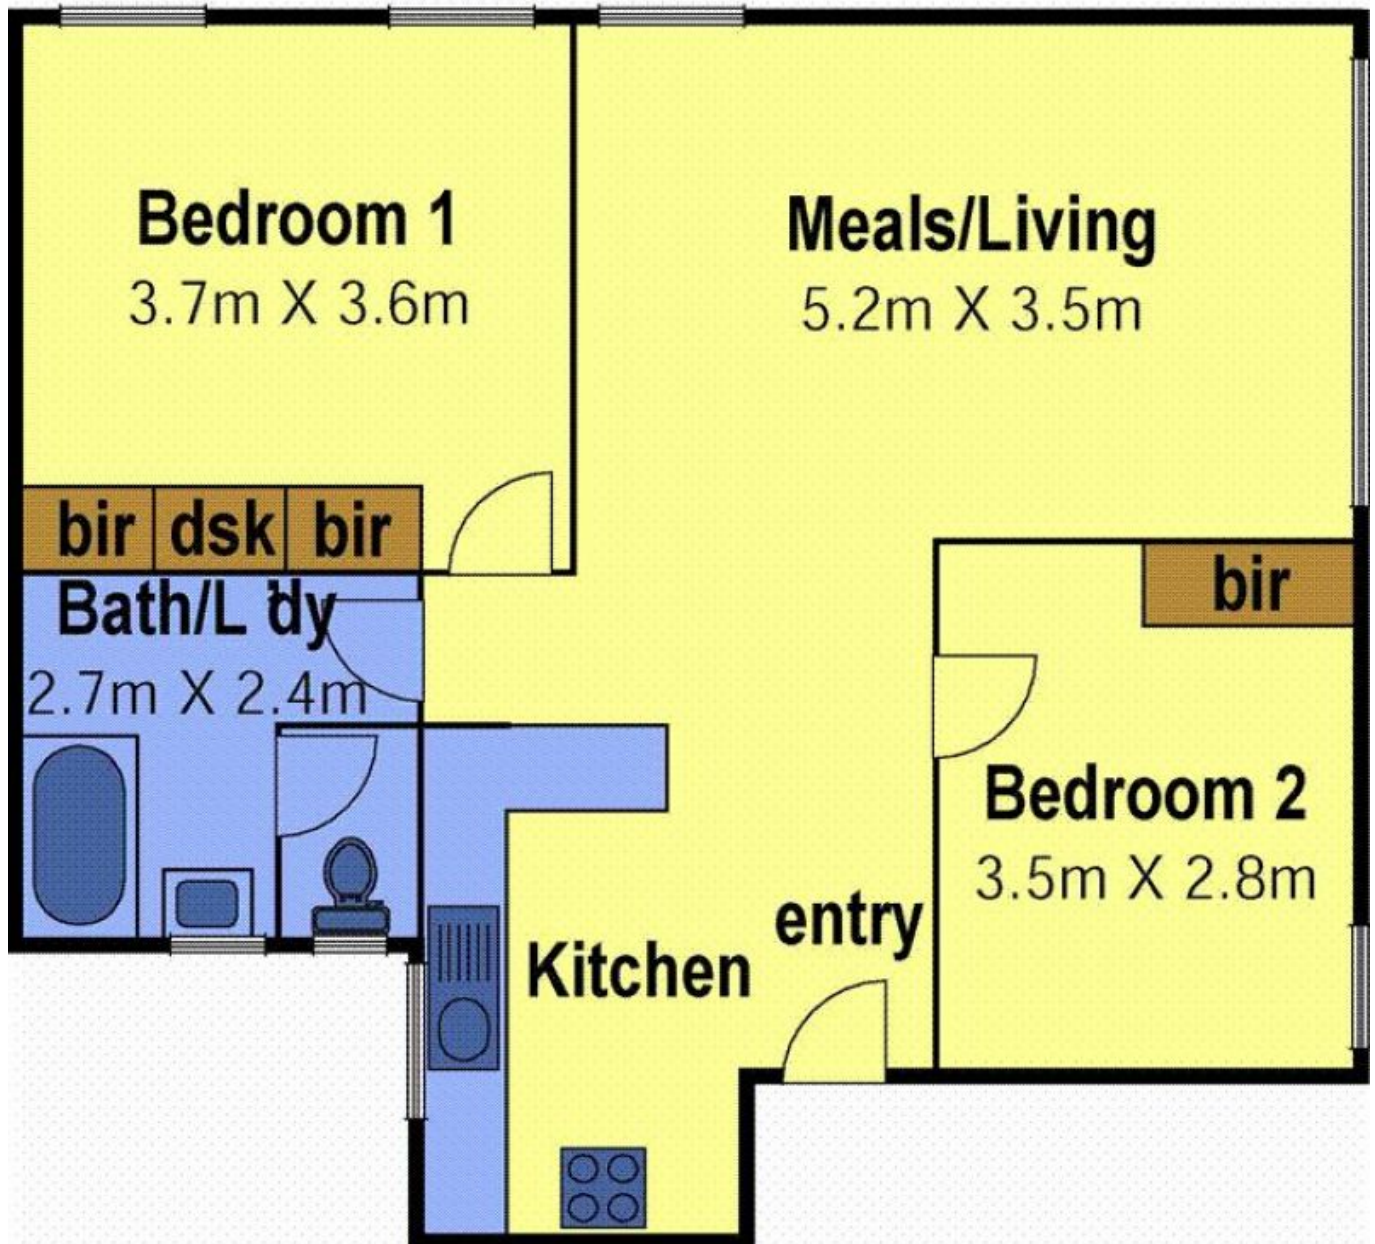

Price: \$320 per week
