Close to everything is this lovely family home located in the sought after Regent area. Recently refreshed it features two bedrooms, both with robes and a versatile front room which could be easily used as a third bedroom or second living area. The kitchen has plenty of cupboard space with gas cooking and has been lovingly retiled and painted. The bathroom is clean and bright and there is a separate toilet and laundry. Located at the rear of the property is a large lounge/ dining area with both heating and cooling units. It opens onto a generous sized back yard, perfect for a BBQ. With ample off street parking and an undercover area that would easily fit two cars. Close to the Regent Station, shops and schools, inspection is a must!
