One For The Family!

If there's one thing a family home absolutely must have, it's 3 spacious bedrooms and a big back yard, yeah? Ducted heating and gas cooking too, yeah? We're with you! Which is why we know this home won't wait around for long.

Don't think the great features end there either. This distinctive residence also boasts living room with ornate fire place, period featured bathroom beautiful bay windows in the kitchen overlooking the backyard & master bedroom, Plus you'll particularly appreciate its built in robes in 2 of the bedrooms, ceiling fans, timber kitchen, floorboards throughout, off street car parking for 2 cars and storage shed.
