A renters delight!

An outstanding property in a location that rarely comes up for rent. It features 3 good sized bedrooms with wall to wall carpets, built in robes and an ensuite, lounge/dining area, kitchen with gas/electric appliances, separate laundry and a modern bathroom. It also offers polished floor boards, a nice aggregate concrete courtyard and single lock up garage.

Did I mention that its location is second to none; Preston market is a short drive away and Gilbert Road and Regent St a mere breath away.
