A perfect combination of classic and modern!

A combination of classic period character and spacious modern enhancement creates a desirable environment for a family enjoyment.

Impeccably presented interiors include spacious lounge with gas heating and electric cooling, modern bathroom with shower over bath, kitchen with ample cupboard space and quality gas cooking appliances. All 3 Bedrooms include wardrobes in two, one with a cooling unit and an additional study/office space.

Well-manicured gardens to the front and low maintenance rear yard with undercover entertainment area - gardener can be arranged at an additional cost.

It is moments away from Reservoir Train Station, schools, local health centre and Edwards Street shopping strip.

Price: 380-400
