High End Design. Luxury Living

This architecturally designed, award winning home by Taylor Reynolds Architects has been crafted to the highest standards, to deliver an irreplaceable living environment of rare sophistication and exclusivity.

Innovative yet functional, the Marble kitchen is equipped with Smeg appliances, mirror splashbacks and an integrated hidden fridge for a truly streamlined look that anchors the spacious living zone.

Enhanced by an open fireplace, Silver Ash feature walls and polished concrete floors, it opens via custom made sliding stackers to seamlessly unite with a north facing courtyard for the best in indoor-outdoor enjoyment.

Due diligence checklist - for home and residential property buyers
