Sophisticated Jewel in Peaceful Pocket

Sophisticated style, gorgeous natural light, and superb attention to detail are the hallmarks of this 3 bedroom, 2.5 bathroom townhouse in a vibrant yet quiet pocket of Preston.

An ideal match for small families and empty nesters looking to downsize, this dazzling retreat is immediately eye-catching with a stacked stone portico, while inside is even more impressive with elegant timber floors, stone surfaces, double blinds, and high end Methven tapware throughout.

The bright and expansive central living and dining zone is perfect for all occasions and features a relaxed gas fireplace, while the adjoining kitchen enjoys a long Caesarstone breakfast bar, soft-closing cabinets, pendant lighting, and stainless steel Smeg appliances including a 6 burner gas cooktop. A second open living area at the front of the house is flexible and can be used as a large rumpus room for the kids, tranquil retreat, or home office.
