Refurbished Family Home in prime location

Don't miss out on the opportunity to inspect this exceptional family home which has been recently been refurbished to a high standard. Feat. a large open plan living/dining area, light and bright kitchen with gas hotplate, electric oven, generous pantry cupboard and ample cupboard space. All three bedrooms have built in robes and are a good size. The Master bedroom has a completely new sparkling ensuite and the second bathroom has been refreshed, is large and has a separate shower and large bath. There are a separate toilet and large family laundry with a double washbasin, through which you access the low maintenance rear of the property. With ducted heating throughout, abundant storage cupboards, a lock up garage and off street parking for an additional, this property is living at its best. Don't delay in organising an inspection as it will not last.
