Easy Lifestyle In A Sought After Location

Beautifully presented and enviably situated central to a choice of primary schools, a short walk to parks and the bus and within easy reach of Yarra Avenue shops and Broadway, this comfortable and inviting home offers an easy lifestyle in a sought after location.

Offering proportions that are sure to please, spacious open plan living meals, anchored by a kitchen with stainless steel cooking appliances and featuring hard wearing engineered timber floors, steps out to a decked courtyard at the rear that presents a wonderful opportunity for relaxed indoor outdoor living when summer comes!

A powder room accessed off the laundry complements the sleek, light and bright contemporary bathroom and second toilet central to the two upstairs bedrooms.
