

2/18 Crookston Road RESERVOIR, VIC

3

1

Is there any better unit in Reservoir today; I think not!!

The owner has spared no expense when building this lovely unit so that the tenant to take occupancy will never want to move!! This property comprises a lounge featuring polished floorboards which then leads you into the kitchen/dining area. A central bench top with a double stainless steel sink, stainless steel appliances which include a rangehood, gas cook top and electric fan forced oven complete this room. Entering into the hallway you will then find the master bedroom with a walk in robe and a two way entrance into the very well presented bathroom!! The other two bedrooms feature wall to wall carpets and built in robes. Heading through the laundry you will see a lovely courtyard with landscaped gardens, a double lock up garage with remote and sealed concrete areas. Located close to shops and public transport this property will not be on the market for very long. Inspection By Appointment only.

Price: \$240 per week
