AS NEW AND ARCHITECTURALLY DESIGNED

A considered blend of form and function, a variety of obtuse and acute angles that generate a unique visual interest within, and an outdoor area that incorporates a garage with glass bi-fold rear doors to stretch the entertainment options. This as new, sleek and stylish home sits well above its peers! Architectural designed and finished to a demanding specification, it features expansive living/dining designed around a state-of-the-art stone and stainless steel kitchen with soft close draws, and opening to the private rear yard, stunning stone bathroom and two bedrooms with fitted robes. Finished with shimmering polished timber floors, ducted refrigerated climate control, alarm and dual purpose garage, and with shops, school and the bus all close by, it will delight with its size, style and sophistication.
