

1/4 Bonar Street HEIDELBERG HEIGHTS, VIC

### Captivating Combination of The Classic And The Contemporary

Central to the station, bus, precinct and the boutiques and eateries of Burgundy Street, and Rosanna Village, the shopping, dining and entertainment options of Northland and the Austin this renovated home blends the classic and the contemporary with consummate, livable ease.

Fresh paint and recently polished timber floors enhance period detailing throughout an interior that includes a generous living room and two robed bedrooms served by a stunning designer bathroom with oversize shower. The new eat in kitchen showcases stone tops, stainless steel appliances and gloss cabinetry and opens to a very private north facing courtyard, where the carport, secure behind an auto roller door, is ready for double duty as a covered entertainment area. With new fences, easy care gardens, new wiring and plumbing its the perfect place for those looking to start out, slow down, or add to their portfolio.

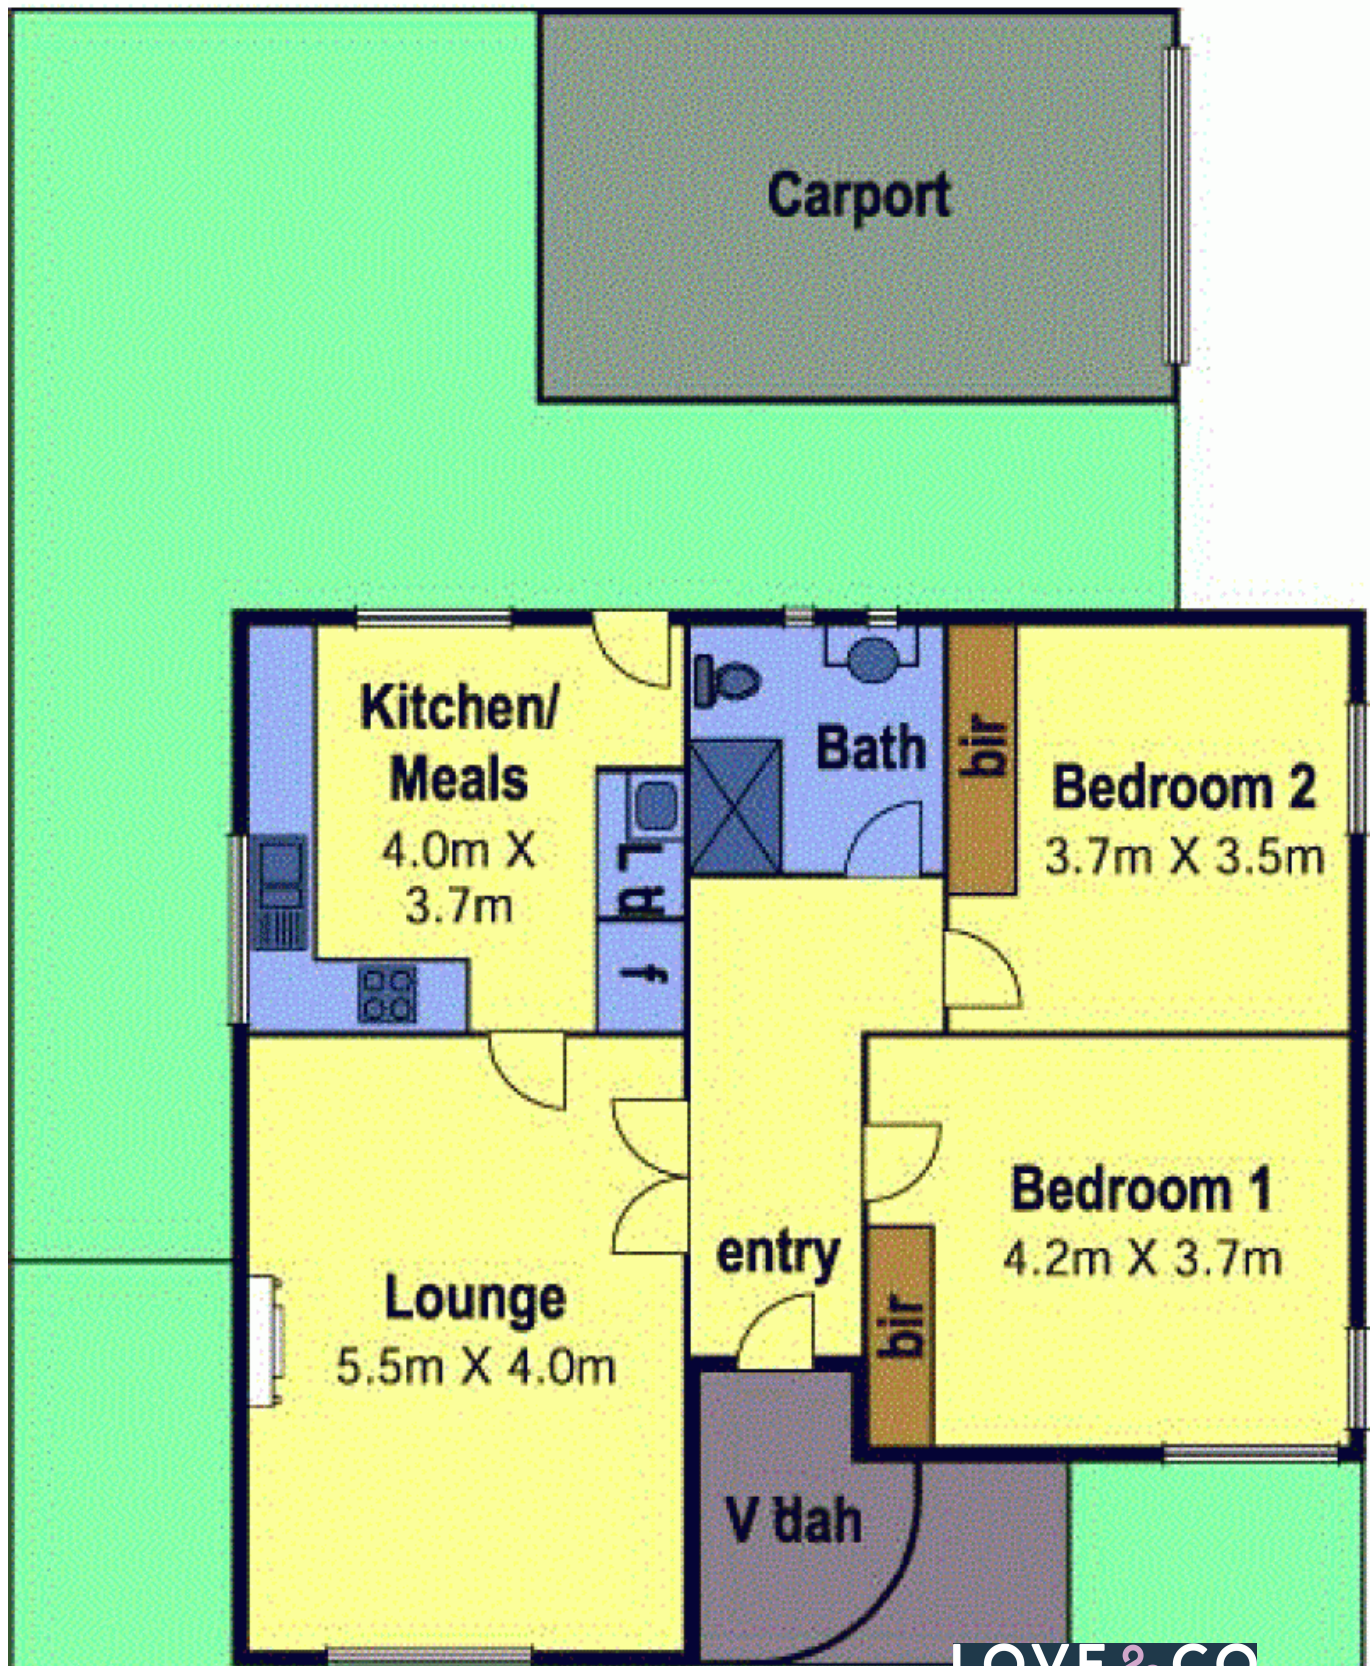

**Price:** Sold for \$527,500
