Easy Care Single Level Living

An easy walk to cafe's, the station, tram, High Street and iconic Preston Market, this low maintenance home is ideal for those starting up, scaling down or adding to their portfolio. Timber floors enhance an open study area that leads through to open plan living anchored by a galley kitchen with stainless steel appliances, before stepping out to a rear courtyard. Designed with entertaining not maintaining in mind, this private haven doubles the living options when the warmer months roll around. The carpeted double bedroom finished with a fitted robe, is served by a contemporary bathroom, while split system heating/cooling ensures year round comfort.

Price: Sold for \$352,000
