Step Inside and Be Surprised

From its classical facade to its exceptional location, this unique, six bedroom home delivers an enticing and excitingly rare opportunity to enjoy a sought after lifestyle in one of Westgarth's most tightly held streets.

A walk everywhere address at the end of no through road embraces Westgarth Station, High Street trams, cafes and shops.

Elegantly proportioned with large rooms, high ceilings with ornate finishes, it effectively delivers two homes in one thanks to a very clever family friendly layout. The lower level introduces three bedrooms, a family bathroom, formal living and generous eat in kitchen with plenty of room for a table.

Price: \$1,220,000
