Sizable Living, Superb Location and So Close To All

This warm and welcoming home enjoying street frontage, the bonus of a private low maintenance rear courtyard and its own driveway, gets an even bigger tick when it comes to what really counts, LOCATION.

An easy walk in one direction to the station for that Zone1 trip to town, it is even closer to the supermarket and Reservoirs eateries and boutiques and has Edwardes Lake park just as close when you head the other way

A clever floor plan introducing 3 bedrooms, the main bedroom with walk in robes and direct access to the family bathroom and a very generous air-conditioned living room.

Family meals and entertaining will be easy with the updated kitchen featuring stainless steel Miele and Bosch appliances overlooking the family meals that steps out to the courtyard.

Price: Sold for \$425,000
