

23A Home Street Reservoir, VIC

The Perfect Combination of Classic Style & Modern Comfort

Step into brand new WOW in this superb town residence, designed with slick, chic luxury living in mind. Designer finishes, quality fixtures and an extensive use of stone and timber floors add to the appeal of low maintenance home that seamlessly infuses indoor-outdoor living.

Set in the sought after Oak Hill estate, a short walk from caf?'s and the tram for that easy trip to the CBD or La Trobe Uni, and within easy reach of Northland, this quality built home introduces a lower level offering open plan living integrating a stone kitchen complete with stainless steel appliances including dishwasher and 900 mm range. A luxurious powder room, separate laundry and garage with internal access complete the level.
