Sophisticated Stylish Superior Living

The prettiness of this beautiful Victorian behind its classic picket fence and traditional cottage garden is matched inside by its generous floor plan that provides exceptional living for those looking to move in and enjoy close proximity to all the dining, shopping and transport benefits of High Street.

A private paved courtyard offering appealing proportions and a vertical garden enhance an open plan living and dining area finished with bespoke storage options and incorporating a kitchen equipped with stainless steel appliances for seamless indoor outdoor relaxation and entertainment. Three bedrooms including main with fireplace, and another with floor to ceiling shelving are served by a flawless, family sized contemporary bathroom.

Original features of high ceilings, Baltic pine floors and open fire places complement modern touches of ducted heating and cooling and alarm in this captivating classic.

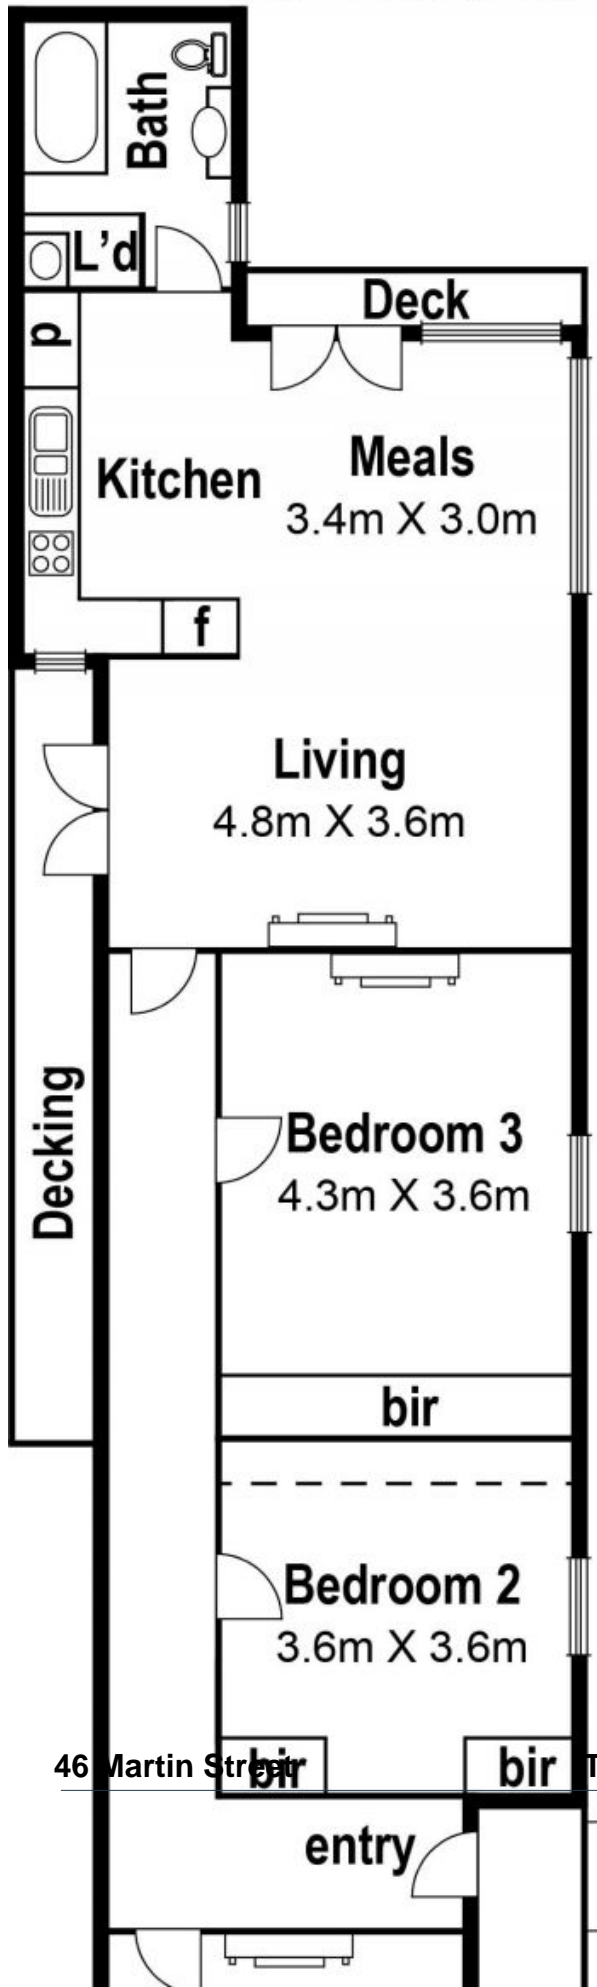

Price: Sold for \$946,000
