Villa Unit With No Body Corporate!

Solid brick unit situated off Wood Street with street access on Highview road to the front of the unit as well as a separate driveway to a single car garage.

The entrance encompasses a large lounge room with split system heating and cooling, as well as two large bedrooms with built in robes and shutters. At the end of the hallway meets a recently renovated kitchen with plenty of storage surrounding the magnificent stone benchtops and a recently renovated bathroom to boast.

At the rear of the unit once you venture away from the undercover patio area and pass through the large courtyard and shed is a guest or 3rd bedroom/"man cave"/guest bedroom with built in robes a separate toilet nearby and yet another split system inside the room to cool or heat the room.
