GREAT PLACE IN A GREAT LOCATION

This unit is just a short walk from the shops and tram on Plenty Road, the bus on both Wood Street and Murray Road and within easy reach of the shopping benefits of Northland. Light and bright thanks to clerestory windows above the spacious open plan living dining and bathroom with the convenience of shower over the bath, it features laundry, galley kitchen and two robed bedrooms. A paved courtyard to the rear still provides a relaxing spot for a wine after work or the coffee and the paper before. Blending generous proportions, comfortable accommodation and a convenient location.
