LARGER THAN LIFE

Immaculately presented throughout, this brand new majestic townhouse has been built with size, sophistication, and modern comfort in mind.

Impressively stylish and modern, it features by far what would be best described as the LARGEST living/meals area you have ever seen in a two bedroom townhouse. The open plan areas adjoin a beautifully appointed open plan kitchen with expansive stone benchtops, large 900mm gas stove and dishwasher, overlooking a private courtyard. Upstairs features two great size bedrooms, master bedroom with luxury ensuite and walk in robe. Separate sparkling bathroom further accommodates the bedrooms upstairs. Completed with a third guest toilet downstairs, split system heating and cooling, ducted heating, separate laundry, storage room under the staircase and garage with remote.

Price: \$470 per week
