## Classic Californian In A Premium Pocket

SOLD by Phil Peros 0421 663 101

Classical Californian beauty enhanced by traditional features including leadlight windows, Baltic pine flooring, fireplace, bay window and ornate cornice a-top high ceilings, blends with a perfect position to introduce a lifestyle of excellence in this immediately appealing home.

Nestled in a coveted tree-lined pocket, it enjoys a premium position just a short walk from the bus, station, local shops, tram and the home-maker centre. Spacious open plan living pushes out from a stainless steel equipped contemporary kitchen and seamlessly spills through French doors onto a decked and paved undercover zone in a generous rear yard ready for private, low-upkeep alfresco enjoyment.
