Easy Living. Effortless Entertaining

Offers will be considered prior to auction.

This smart, stylish home's generous proportions and easy walking convenience to Ruthven Station, St Stephens primary, a choice of bus routes and of course the shopping and transport hub of Reservoir itself, ensures it will meet the needs of first home buyers, downsizers and investors.

Packed with appeal, it offers a lower level comprising spacious open plan living which pushes out from a stone kitchen showcasing stainless steel appliances and soft close cabinetry, to step out to a mix of covered and open alfresco spaces. The large laundry delivers internal access to a powder room and an auto garage with a large storeroom.
