## COMPLETE ELEGANCE!

This three bedroom home is the ultimate in fine living..featuring high ceilings, built in robes, modern bathroom & kitchen, gas cooking, ducted heating, evaporative cooling, dishwasher, polished floor boards, on site & off street parking & a cosy covered entertaining area. But that's not all...the garage has been converted so it can be used as a unique party room/work space for the self employed or a play room for the kids. It even has its own split system air con, sink, shower & electric stove. Located close to Thomastown Train Station & popular shopping strip.

With modern living & entertainment at your fingertips, this property is not to be missed!
