Big Space, Bigger Character

This huge 961 square metre block enjoys a massive yard with scattered fruit trees, an extensive downstairs family or games area with plenty of storage, a separate toilet, laundry, shower room and a large double lock up garage. And that's just the ground floor.

Head upstairs to find four good sized bedrooms, two with built in robes and plenty of extra storage space in the hall. The spacious kitchen shows lots of potential and is equipped with an electric cooktop and Imperial oven and there's ducted heating throughout the house. Dine with the whole family in the well sized dining area or just put your feet up and relax in the living room, while you look out over the vast wrap around balcony and the rose bushes in the front garden or redevelop (STCA).

With the bus outside the front door, Dalton Road a few steps away and close proximity to the Metropolitan Ring road, this home is well worth a look.

Price: Sold \$640,000
