Fabulous Living And A Tradies Garage

This perfectly presented home offers light filled living and blends it seamlessly with a huge outdoor entertainment zone for relaxed easy living! Meticulously maintained, it offers formal living and an equally spacious family meals overlooked by an updated Blanco equipped kitchen. It opens to a massive outdoor precinct that will cope with kids on their bikes or teens and their cars, and links the house with an oversized double garage and workshop (perfect for a home based tradie). Of the three bedrooms, the main enjoys direct access to the recently updated family bathroom featuring dual basins, oversize shower and easy care floor to ceiling tiles. Multiple split system units ensure year round comfort.
