Every Family Need Met With Ease

Located in the prestigious and highly sought after Rivergum Estate, this 4 year old faultlessly presented family home will easily meet the accommodation and entertaining needs of modern living. The substantial interior provides a ground floor comprising formal living complemented by expansive casual living overlooked by kitchen with stainless steel appliances including double oven, full bathroom, study and laundry. The upper level introduces yet another living area that is central to a main suite with ensuite, his and her robes and balcony access, three further bedrooms and a family bathroom. Ducted heating, cooling and vacuum, over size auto double garage with workshop space and rear roller door underscore fabulous family friendly living.
