Modern Living in a Mews on Mt Cooper

Diagonally opposite extensive parklands on arguably metropolitan Melbourne's highest point, the prestigious Mt Copper Estate, this contemporary home offers captivatingly comfortable, convenient living. In a delightfully quiet, Mews like setting; it is just a short stroll from the tram and within easy reach of local shops, La Trobe University and NMIT. The lower level comprises formal living, complementing large open plan living overlooked by a kitchen with stainless steel appliances and spilling out to a large, private, sun filled courtyard. Upstairs introduces three bedrooms including main with ensuite, family bathroom and a study area providing access to a balcony. With many extras including ducted heating and cooling it will appeal to investors and owner-occupiers alike.

Terms: 10% Deposit, Balance 60 days
