HOW LOW CAN YOU GO???

The only question I'm asking myself is who is going to be the lucky person to snatch this one up. Set in the beautiful Blossom Park Estate, this three bedroom house features near on everything. Sit back, read and imagine!! Three spacious bedrooms each with built in robes for that extra convenience. Full ensuite to master bedroom, parents have one, kids have the other. Ducted heating throughout and air conditioning, every climate is accounted for here. Add to this a garage and a carport and you have car accommodation and storage covered.

Price: \$190 per week
