RARE FIND

Only once in a blue moon does a property of this excellence become available at such a low rate. Absolutely spotless from inside to out, its awesome gardens and immaculate interior will definately sweep you away. Featuring three bedrooms, each with built in robes. Ducted heating throughout, and ceiling fans in several rooms, achieves the hard task of being able to handle any any climate. Add to this an alarm system that will give you that extra safety peace of mind and a huge deep double carport, and it should rate very high on your "to see" list.

Price: \$205 per week
