ONE FOR THE PICKY

Looking for a property that is just that touch above the rest?? That extra bit of class?? A three bedroom home that contains the extra convince of an ensuite to master bedroom. Built in robes in all bedrooms, polished boards to add to the charm, and ducted heating throughout. With summer around the corner the air conditioning unit will be more than a valuable asset. The only thing left to describe is the HUGE three to four car garage, so come have a look and see for yourself.

Price: \$210 per week
