Just have a look at where this one is located and tell me you aren't eager to inspect. Walk to the Stables shopping centre, and to all schools, and public transport it's location makes the inside even more sweeter. Inside it is as neat and tidy as property's get, with a modern kitchen meals area, three bedrooms, gas heating, and a handy back yard shed. Add to this a great size yard and a covered rear area great for a B.B.Q's (no matter what the weather is)

Price: \$180 per week
