OH MY GOD!!!!

By far and away this is the largest rental property on the market. The space throughout is so huge that it literally must be seen to be believed. Featuring huge lounge room, and beautifully presented kitchen meals area with dining room and family room. A powder room, and the biggest main bedroom I have ever seen, comes with full ensuite and corner spa. Sounds wonderful doesn't it??? Well I've only described downstairs!!! Upstairs are the three other bedrooms, each with built in robes, addition bathrooms, retreat area so you can forget about the rest of the world. In addition to all this the home comes with ducted heating, alarm system and double garage. Trully must be seen to be believed.

Price: \$300 per week
