## SIMPLY STUNNING

This double storey three bedroom townhouse is as described above~Simply Stunning throughout. Featuring modern facilities throughout, and ducted heating that trully fills both upstairs and down with warm air at a low cost. Inside the beautiful black tiled kitchen with stainless steal appliances sits a wonderful dishwashing unit. Outside the low maintenace yet very presentable rear and front yard dwells one of the biggest remote double garages I've ever seen!!! So all in all this one is a spectacle that must be viewed by anyone looking for that home with that extra something.

**Price:** \$240 per week
