INFINITE STYLE!

This is a double storey townhouse that is set amongst a fairytale background. You MUST see for yourself the surrounding area and let the grace and charm of the Rivergum estate take you away. The home itself is both large and stands tall and mighty. Of course you have your usual features, three spacious bedrooms, built in robes, wall to wall caprets, and garage, yet it is the little extras that makes this one not to be missed. A study area for work or play, ensuite to master for the extra convenience of a second bathroom, spa bath to master bedroom, dishwasher, again just a little luxury everyone deserves but rarely has. Imagine you sitting on the balcony in the summer wishing you could spend forever here~and you just may!

Price: \$230 per week
