CUTE & COMFORTABLE

A brand new two bedroom unit that is set at a more than fair rental rate. It doesn't come much cleaner, neater or tidier than brand new, so imagine you spending this summer sipping a drop and knowing you made a fantastic decision. Full ducted heating throughout and high quality carpets. A spacious garage and more than adequate rear yard. Trust me, inspecting this one will be a decision you should have made earlier.

Price: \$180 per week
