LOOK AT ME!!!

As you can see this property is very presentable from the outside so wait till you see what it offers on the inside. A very neat and tidy 3 bedroom home with built in robes wall to wall carpets, ducted heating, and wait for it... a double garage!!!

The location is great so close to Plenty Valley Shopping Centre, Mill Park Secondary College, Mill Park Leisure Centre, and public transport it offers everything you could want. The yard is low maintenance but still big enough to sit outside and enjoy the sun or a bbq whatever you desire.

This one won't last long, and once you see it inside you'll want to move straight in. Call now to arrange an inspection.
