A Perfect Place To Start Out Or Slow Down

Comfortable & convenient, the interior delivers a wealth of space with a formal lounge sweeping around to the family meals, true laundry, and two robed bedrooms, one enjoying direct access to a pristine bathroom. The outside fares just as well with a very generous paved precinct with plenty of room for tables, chairs, the BBQ and the kids.

Low maintenance living that's located around the corner from the shops, the bus, moments from parks and just a few minutes from the station and Westfield isn't easy to find, add in no body corporate, ducted heating, split system climate control and a garage and you're on a winner to live in or let out!

Price: \$347,000
