Palatial Poolside Paradise

Introducing timeless beauty, endless spaces and a fabulous blend of indoor-outdoor enjoyment, intelligent architectural design has this luxury home wrapping around a sparkling pool in paved surrounds and delivering the ultimate family friendly layout.

Anchored by a stunning kitchen showcasing waterfall stone benches, atop of glossy cabinetry, glass splashbacks and a dual oven range, the kitchen pushes out into a casual living zone that opens to the poolside and complements formal living and dining spaces.

The adults enjoy a sumptuous main suite with walk in dressing room, luxury ensuite and direct access to the pool on the ground floor, while the kids will love heading upstairs to the huge rumpus that opens to three bedrooms, all with walk in robes (two with desks) and a luxury bathroom of their own.
