3 1 2

### Renovated, Rendered And Ready For You

Tastefully updated to effortlessly deliver everything that is sought after when it comes to modern living, all buyers will be impressed by this three bedroom home that delivers superb contemporary spaces behind an easy to care for rendered exterior.

Polished hardwood floors and neutral tones are just the start in an interior that features spacious lounge dining opening to a paved entertainment area, and a stunning eat-in kitchen showcasing stainless steel appliances, stone benches and a glass splashback.

Three large bedrooms share a superb, luxury bathroom with a stone vanity and oversize shower, while the laundry includes clever storage options. The deep rear yard is home to an expansive paved entertainment area and a large garage and a workshop/gym, complemented by a double carport.
