Perfect Blend Of Lifestyle And Location

Wrapping around a superb alfresco zone and providing sophisticated living that places a premium on modern style and relaxed indoor-outdoor spaces, this three bedroom, two bathroom home is the perfect blend of lifestyle and location.

Opposite wetlands, moments from the primary school, early learning centre, general store and bus stop, it's just seconds from Huntingfield Park and a short stroll to the proposed station.

Downstairs, living and dining bathed in northern light integrates a large kitchen showcasing Blanco cooking appliances and introduces easy seamless access from multi points to the alfresco. Clever design has sliding glass doors at the rear of the double garage also opening to the alfresco, allowing extra entertainment space when the party grows!
