Spacious, Sleek, Stylish Living

Quality features including timber floors, a stone detailed DeLonghi equipped kitchen, high square set cornice, a fabulous flow between indoors and out and a sought after location south of Bell Street add to the lifestyle appeal of this spacious, modern town residence. Peacefully set at the rear of a boutique block, Bell Station, the tram and the bus are within an easy walk, while the cafes and eateries along High Street, the iconic Preston Market and Northland are all conveniently close.

The lower level introduces the chef's kitchen anchoring large open plan living-meals, fitted laundry and guest powder room. The first floor comprises two large bedrooms. The main is served by a walk-in robe and a stone ensuite with oversize shower, the second bedroom sits opposite the generous family bathroom.

With extras of ducted heating, split system unit, garage and alarm, it presents a
