Great Location 4 Bedroom home

This well renovated 4 bedroom home is conveniently located on a good sized block offering 4 bedrooms with split system, cooling/heating, modern kitchen with s/steel appliances, polished floorboards throughout, bathroom with shower, separate small study room, separate laundry & second separate toilet.

Great sized rear yard with large lock up garage, plenty of driveway space and a bus stop right at your doorstep! Please note the air-con component currently does not work on split system. Only heating in use.

Be quick to inspect!!

Price: \$450 pw
